

Lingkungan - Environment Activity Sheet 3

Text type: (activity/instruction sheet)

Settings: This activity sheet accompanies *Binatang Langka* video

Support Substrand(s): ([ACLINC112](#))

Achievement standard: Students describe their own reactions in intercultural encounters and reflect on how these may relate to their own assumption. Students interact with peers and adults to communicate about roader issues such as the environment.

Task 1

Identifying

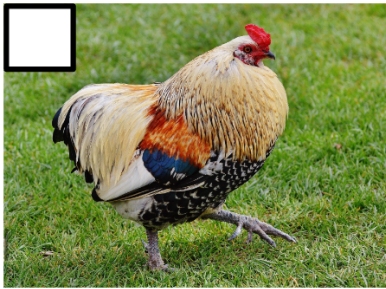

- Write in the names of these animals, use the *Kosa kata* provided.

Class discussion

- Tick the box if you think the animal is endangered - discuss with class (why, how, where).
- Do you know of any Australian animal species that are endangered? Discuss with class.

Kosa kata

*bekantan - harimau - ayam - komodo - orang utan - hamster - badak
gajah - sapi*
